

Behaviour Support Facilitator Training Program for VET Practitioners and Community Services Workplace Trainers

13 - 16 May and 6 - 9 August 2013

The Centre for Managed Strategies, Sunshine Coast Institute of TAFE, is accepting registrations from Vocational Education and Training (VET) Practitioners and Workplace Trainers from VET and the Community Services Sector who wish to complete this accredited professional development opportunity.

The objectives of the program are to support VET and Workplace Trainers in their delivery of Behaviour Support strategies. Participants who complete the workshop assessment successfully are eligible for the CHC08 Disability work skill set - behavior support award.

The program is relevant to VET Practitioners and Workplace Trainers.

The units of competency to be completed are:

CHCCS400B: Work within a relevant legal and ethical framework

CHCDIS409A: Provide services to people with disabilities with complex needs

CHCDIS411A: Communicate using augmentative and alternative communication strategies

CHCICS404A: Plan and provide advanced behaviour support

Participants will work with facilitators from the Centre of Excellence for Behaviour Support facilitators and guest facilitators to achieve the following outcomes:

- Completion of the CHC08 Disability work skill set - behaviour support
- High level understanding of the relevant Queensland legislative framework and practical application
- High Level Understanding of the resources developed for VET Practitioners to support Behaviour Support Training
- Participation in the established Community of Practice facilitated by The Centre of Excellence for Behaviour Support which includes:
 - › Two (2) Currency and Endorsement Workshops per annum (these may be video link workshops)

If you are interested in registering for this professional development, please complete the Registration Form on the next page.
