Senior Program

commencing

Term 2 2013 SPB

161 Herses Road, Eagleby QLD 4207
Ph: 3382 9222 Fax: 3382 9200
Internet: www.eaglebylc.eq.edu.au

An exciting opportunity exists for students to complete their secondary education with the Eagleby Learning College offering a range of senior subjects.

How do I find out more about it ?

Student handbooks are available from the office at Eagleby Learning College. Information is also available on our web site at www.eaglebylc.eq.edu.au

How can I enrol ?

Enrolments are completed after a brief interview has been conducted, a registration card is completed and the resource and textbook scheme fees are arranged.

Interviews will be conducted from March 2013 until April 2013 between the hours of 9.00am and 12 noon.

Please phone Eagleby Learning College to arrange a convenient interview time.

Subjects

The following authority registered subjects are studied:

- **English Communication, Pre-Vocational Mathematics**

Plus students will be given assistance and guidance regarding opportunities in School Based Apprenticeships, Traineeships as well as general employment.

Duration of Senior Program

The subjects are completed in one year with classes beginning on 15th April 2013 and continuing until mid March 2014 with breaks for the normal school holidays.

How many subjects could I study?

Programs combine two years of study, Year 11 and 12 into one year. It is recommended that all vocational students be actively seeking employment in order to promote work readiness. This, combined with the completion of their studies will assist in achieving their career goals. Students should allow about two hours per subject, each week, for study outside the classroom.

Students, through the College may have access to additional training opportunities that will complement their studies. All enquiries to the office.

Costs and Materials

The following costs are payable:

Resource Fee: \$ 120.00

Over 18years have an additional cost

Textbook Scheme Fee: \$ 200

A criminal history check is required for students over 18 years of age at a cost of \$26.00 The application form and information sheet for this check are available from the College.

All Students must provide adequate stationery including a note pad, biro, ruler, and (for mathematics) protractor and calculator.

Assessment

Authority Registered Subjects: Assessment of the authority registered subjects is through internal assessment conducted during the program (e.g. tests, assignments, orals).

Certificates: The results obtained will be reported on your Senior Statement and can contribute towards achieving a Queensland Certificate of Education (QCE). The results from the authority subjects will contribute to tertiary entrance eligibility.
