Eagleby Learning College offers an opportunity for people to obtain Year 10, focusing on English and Mathematics in an adult learning environment. The program is conducted during the day over a period of 18 weeks (1 semester).

### **How do I find out more about it ?**

Student handbooks are available from the office at Eagleby Learning College. Information is also available on our web site at [www.eaglebylc.eq.edu.au](http://www.eaglebylc.eq.edu.au).

### **How can I enrol ?**

Enrolments are completed after a brief interview has been conducted, a registration card is completed and resource and textbook scheme fees are arranged.

A criminal history check is required for students over 18 years of age at a cost of \$26.00. The application form and information sheet for this check are available from the College.

**Interviews will be conducted from March 2013 until 28th March 2013 between the hours of 9.00am and 12noon. The College will close on 28th March and reopen on 15th April 2013.**

Please phone Eagleby Learning College to arrange a convenient interview time.

### **How many subjects will I study?**

The semester length program comprises of:

English      Mathematics      Work Education

You may choose to study English or Mathematics or both subjects. All students need to complete Work Education. The Work Education program is an accredited Certificate program and will contribute to their QCE. It helps you to plan a pathway for your future employment and develop skills to find and obtain that job.

### **Duration of program**

This program will commence 15th April 2013 and will be completed by 20th September 2013.
